## AGREED FACTS

### Background

9. The Officer was born on November 3, 1987. The Officer joined Toronto Police Service December 16, 2010. He had not served as a police officer with another force prior.

10. The Officer serves with 55 Division and is assigned to Platoon UA.

### **The Incident**

11. On September 17, 2024, the Officer reported off sick to the Staff Sergeant on duty after being diagnosed with a blood clot in his leg following an Emergency Room visit.

12. On October 1, 2024, the Officer's platoon supervisor contacted him via a messaging platform to check on his well-being and to advise that someone would be attending his residence for a home visit. The Officer replied to the supervisor's message with the following message:

*"Oh I didn't get any phone calls. I am still out of the country getting additional treatment on my leg. I will be back on October 8. They are more than welcome to come and see me."*

13. The Officer did not advise any supervisor prior that he was leaving his residence to recuperate elsewhere.

14. The Officer left the country and traveled to Saudi Arabia on September 21, 2024.

15. The Officer was aware of the Toronto Police Service Procedure 08-02 Sickness Reporting which states that prior to leaving the place of residence to recuperate at another location, the officer shall notify their unit Officer in Charge of the anticipated date of return to the normal place of residence, and the address and telephone number where recuperating.

### **PRIOR DISCIPLINE AND CRIMINAL RECORD**

16. The Officer has the following reportable discipline history:

(a) Police Services Act Conviction dated April 25, 2017: The Officer was found guilty of two counts of discreditable conduct for misrepresenting qualifications on his resume and failing to appear at traffic court as a witness. The Hearing Officer ordered a forfeiture of 9 days or 72 hours.

(b) Police Services Act Conviction dated February 16, 2021: The Officer was found guilty of two counts of discreditable conduct and one count of failing to work in accordance with orders or left an area, detachment, detail, or other place of duty, without due permission or sufficient cause for failing to stop at a red light while on duty, leaving the hospital to obtain food 6km away without receiving authorization from a supervisor and for issuing a ticket without grounds and then later invalidating it without notifying the driver. The Hearing Officer ordered a reduction in rank classification from First Class Constable to Second Class Constable for a period of 6 months. The Hearing Officer also included a warning in the decision which stated "Constable Javed, I hope you realize by virtue of this disposition you are being given a second chance. Numerous candidates are denied the opportunity to wear the uniform of a Toronto Police Officer. Not often officers are given a second chance. I urge you to make the best of this situation and opportunity."

(c) Police Services Act Conviction dated July 3, 2024: The Officer was found guilty of one count of discreditable conduct and one count of neglect of duty for failing to process a vehicle in evidence in accordance with standards such that the photographs were not sufficient for court purposes and misleading officers investigating a service vehicle accident caused by the Officer. The Hearing Officer ordered a Demotion of 18 months, from First Class Constable to Third Class Constable for a period of 6 months, then 12 months at second class. The Hearing Officer also included a warning in the decision which stated "Constable Javed, I truly hope you realize by virtue of this disposition, you are now being given a third chance. Numerous candidates are denied the opportunity to wear the uniform of a Toronto Police Officer. Not often officers are given a second chance let alone a third. I strongly urge you to make the best of this situation and opportunity. A disposition of Dismissal will most certainly be entertained if you attend before me or any other Adjudicator in the future."
